## Mazankowski visits Elk Point

On Friday, December 2nd, 1983, in the community services building, the Lions Club of Elk Point, sponsored a Ladies' Night Out, for the Lioness Club and special invited guests. Lion Treasurer Bruce Kleeberger emceed the affair, which was a buffet supper and social. Laurence Modin preceded the activities by reciting grace. Peter Tyler, Lion President proposed a toast to all ladies present at the completion of the supper. Frank Maynor proposed a toast to the Queen. Lions District Governor Steve Romanchuk delivered a short speech, expressing how important it is for people to fill out the donor card which is now a part of your driver's license, adding that on December 10th, 1983, a relay is being held to obtain more eye donors, as this is a major Lions project.

Bruce Kleeberger introduced the Honourable Don Mazankowski, and delivered a speech on the previous history of Mr. Mazankowski. Don Mazankowski was born in Viking in 1935, has 3 sons and one daughter-in-law, and was involved in the automotive business until 1980. He was the Regional Director of the P.C. Association in 1962 and the President of the Association from 1963-68. Bruce added that on November 6, 1983, Don was nominated for the six-

th consecutive time as the P.C. Candidate, and June 26, 1983, was Don's fifteenth anniversary in Federal Politics. In closing, Bruce mentioned that Don is a Honorary Royal Canadian Legion Member and a past executive of the Rotary Club.

Don Mazankowski's opening words dealt with the work of the Lions Club, and the importance of paying tribute to the ladies. As Don stated "You need a woman around to blame her for things you can't blame on the government." Don went on to speak of the optimism in the community of Elk Point, and touched on the subject of the oil business, and briefly talked about the Crow Debate. Don stated that in essence, Parliament is a substitute for fighting in the street.

He then went on to speak of the National Energy Program, which he feels is not beneficial to Canadians and that we ourselves must develop our own resources, noted that Syncrude Project will be going ahead; Imperial Oil in re-enacting. Judy Creek, Petro Can should be establishing in the Fort McMurray area, and Husky Oil will be built somewhere in the Lloydminster area. Resources will be developed and it is in

Continued Page 6

The Honourable Don Mazankowski greeted the Elk Point Lions with words of encouragement and praise.

## Credit Union Closing

Business as usual in the now occupied building. January 20, 1984 will see the building vacant as the Credit Union closes its doors.

On January 20, 1984 the Elk Point Branch of Vermilion Savings & Credit Union will be closed, and all services will be transferred to the Vermilion offices.

The Elk Point branch was opened in 1978 in a planned expansion program for Vermilion Credit Union. The initial success of the branch was encouraging, but a serious downturn in the economy and a lack of growth in membership placed the branch in an unprofitable situation.

The Board of Directors of Vermilion Credit Union approved the closure at its October 13 meeting after carefully examining the future potential of the branch.

The Board is deeply concerned about the impact of the closure on the 700 members of

the branch.

Special steps will be taken to ensure that members of the Elk Point Branch are not inconvenienced by the change. All accounts will be automatically transferred to the Vermilion Branch. "We have many good members at Elk Point and we certainly hope we can improve their service and make them comfortable in the Vermilion location," said Morley Marshall, Vermilion Credit Union Manager. "All members received a personal notification of the branch closing and we hope to see many of them continue to use the credit union in the future."

More information about the branch closure is available from Morley Marshall, General Manager, or Larry Schmidt, Branch Manager.

## Tweenies & Brownies Graduate

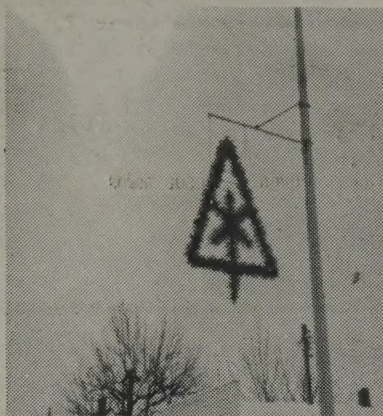

November 23, 1983 at 7:00 p.m. in the community services building, seventeen Tweenies graduated to Brownies, and four Brownies graduated to Girl Guides.

Names of the new Brownies are: Angie Ovelson, Tanya Kenyon, Callie Baumgardner, Crystal McPherson, Louise Votour, Kelly Ballas, Janie Ballas, Krista Seward, Christina Estay, Rayelle Aarbo, Charlene Anderson, Margaret McGregor, Sarah McGregor, Hiedi Kozicky, Candace Ferenice, and Elaine Wannechko. Names of graduating Brownies to Girl Guides are: Rhonda Pinder, Amber Fell, Jodi Vogel and Stacy Beazley. There are also two new leaders, better known as Tawny Owls who are Betty Williams and Hildgunde Naber.

# Ho! Ho! Ho!

by Fija Schwab

Once again, that time of year is upon us. It seems wherever you go, the spirit of Christmas is quite evident. Unless you are me, for I am still eating Hallowe'en candy, traces left all over the house. Last year's Christmas baking is still not started and now I am faced with this year's. I'm still trying to find a birthday present for someone who's birthday was in November, and now they need a Christmas present too.

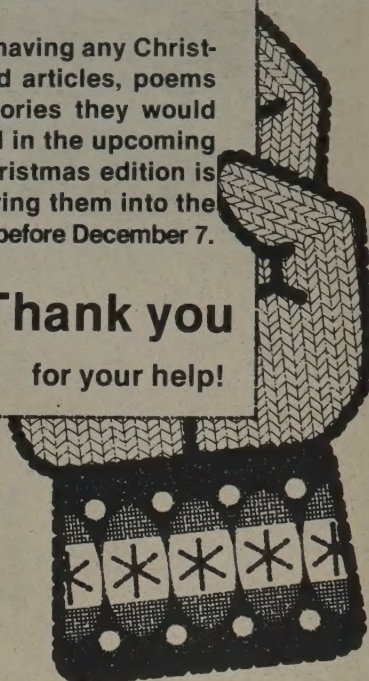

Speaking of which, I find it rather funny, how an ordinary, everyday article magically transforms into a Christmas present, and brings such delight to the receiver. If I buy myself a pair of sock, that's all they are, just an ordinary pair of socks. But low a behold, if they are wrapped up in fancy paper and bows, they become a Christmas present. Apples all year round are just apples - until Hallowe'en that is, then they too transform.

It's actually our association of symbols we attach to certain holidays. When we think of Easter, we think of eggs, Valentine's Day comes with hearts, Remembrance Day and Poppies, Christmas transforms pine trees into Christmas trees, and so on. This all leaves me with one problem. You see, I cannot shop for Christmas presents unless it is actually Christmas. To me it would be the same as painting Easter eggs in June. Which, as far as I'm concerned, would have no meaning at all. To adapt to the spirit of Christmas, I require snow (and lots of the stuff), the stores have to be jammed packed with people, (I like the pushing and shoving), and there has to be a very short deadline. So you will more than likely spot me, running around like mad on December 24th, doing my last minute Christmas shopping. Spare your sympathy, as this is definitely planned and I will actually be in my glory.

# Please!

Anyone having any Christmas related articles, poems or short stories they would like printed in the upcoming Special Christmas edition is asked to bring them into the office on or before December 7.

Thank you  
for your help!

## The Night Before Christmas

'Twas the night before Christmas and all through the tavern,  
Friends greeted each other with "What're you having."  
One patron was draped on the back of his chair,  
Another was squeezing the beering from his hair.  
A woman all dolled up in chiffon and sable.  
Was belching a carol as she lay 'neath the table.  
And then, as her garter let go with a snap,  
The blond with the mustache fell out of my lap.  
When from the bar there came a loud shout —  
"We're serving no more — now everyone out."

Away to their cars the customers stumbled

And keys into the locks were nervously fumbled,  
Skidding and sliding through new fallen snow,  
The potential murderers were ready to go.  
From each glassy eye, there dribbled a tear,  
As we all realized that there'd be no more beer,  
We burped at our driver, he threw in the clutch  
Knocked down a slow-poke, ran over his crutch,  
Zig-zaggin up Jasper Ave., we spotted a dame,  
I rolled down the window and called her by name,  
Up John, down Bridge, on Centre to Mill,  
When who should appear but a cop in his car,  
We stepped on the gas, gave the horn a loud toot,  
Then off like a shot with the cop in pursuit,  
As dry leaves before the wild hurricane fly,  
Up hill and down hill and then on the level,  
We roared through the night as if chased by the devil.  
Then, all in a twinkling, I saw up ahead  
The amber had gone, the light had turned red.  
As I drew down my head, put my feet on the dash,  
The night air resounded with a helluva crash.  
He was dressed all in white from his head to his feet,  
What he said to the nurse I dare not repeat,  
I tried to turn over, but, limp as a sack  
There was nought I could do but lie still on my back.  
My eyes are gone dim and I coughed and I spat,  
My neck was all twisted, my nose was quite flat,  
My drole little mouth was a long scarlet gash  
Mute proof of the force of that terrible crash.  
The stump of my leg, I could see 'neath a sheet,  
I never did find what they did with my feet.  
With scalpel and forceps and 98 stitches,  
They drew me together like father's old britches,  
He spoke not a word 'til he'd finished his work,  
Then ordered the nurse to "Wheel out that Jerk."  
Then placing his thumb to the end of his nose,  
And spreading his fingers — the usual pose,  
He bade me adieu and concluded our meeting,  
With a word of advice in this yuletide greeting —  
"Your best Christmas present is that you're alive  
Maybe now you'll remember...  
IF YOU'RE DRINKING DON'T DRIVE."

## Letter to the Editor

### Derwent not closing

Dear Editor:

This letter is written to inform Alberta Wheat Pool members in the Derwent area of an incorrect statement that appeared in the November 9th, 1983 issue of the St. Paul Journal.

The article referred to was a report by Vicki Brooker on the Elk Point and District Chamber of Commerce November 2nd, 1983 Meeting.

The story indicated that the Alberta Wheat Pool is proposing closure of its elevator in Derwent. I would like to emphasize that this is incorrect. The Alberta Wheat Pool has no present intentions of closing the Derwent Elevator and is looking forward to continuing to serve its farmer-owners in the Derwent area.  
Yours sincerely  
**John R. Bober**  
Alberta Wheat Pool  
Delegate #601

Editor's note:

We also reported on the possible closure of the Derwent Elevator as this was the information presented. Sorry.

## Speak your peace

# Kitchen corner ates

With only three weeks until Christmas and much left to do, we'd like to share two delicious and easy to prepare recipes. Both are great for entertaining and can be frozen until needed.

## Christmas Yule Log

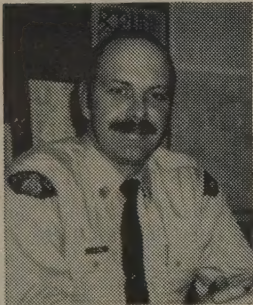

2/3 cup Robin Hood All-Purpose Flour (OR 3/4 cup Robin Hood Velvet Cake & Pastry Flour)  
1/4 tsp. soda  
1/4 tsp. salt  
4 eggs  
1 cup sugar  
2 tbsp. water  
1/4 cup Robin Hood Baking Liquid Unsweetened Chocolate  
2 cups whipping cream, whipped and sweetened

Grease and line a 15" x 10" jelly roll pan with waxed paper. Grease again. Combine flour, soda and salt. Beat eggs in small mixer bowl at high speed until light coloured, about 5 minutes. Gradually add sugar, beating until thick. Blend in water and chocolate baking liquid. Fold dry ingredients into egg mixture gently but thoroughly. Spread in prepared pan. Bake at 350 °F for 15-17 minutes or until cake springs back when lightly touched. Loosen edges and turn out of pan immediately onto tea towel sprinkled generously with sifted icing sugar. Remove waxed paper and trim any crisp edges from cake. Beginning at narrow edge, roll up cake in towel loosely. Cool. Unroll cooled cake. Spread evenly with sweetened whipped cream. Reroll. Even ends by removing slice from each. Use centres of slices for log bumps. Frost log completely with Chocolate Butter Icing. Score with fork to resemble bark. Sprinkle with icing sugar, if desired.

## CHOCOLATE BUTTER ICING:

1/4 cup butter  
2 cups sifted icing sugar  
2 tbsp. Robin Hood Baking Liquid - Unsweetened Chocolate

## From "The Sergeant's Desk"

Sgt. Jim Fell

Now that winter is upon us we all look forward to the recreation that the season brings with it. When we go skiing or snowmobiling, we go prepared, we wear warm protective clothing and we ensure that we have access to shelter. People don't often consider the DANGER that winter brings with it.

Every year we read or hear about someone that has gotten stuck in the snow and has walked away from their

vehicle and is found frozen to death relatively nearby. This phenomenon known as hypothermia, or exposure, is very real and life threatening to all of us.

If you do become stranded in your vehicle you stand a much better chance of being found and rescued if you stay with your vehicle. The vehicle will shelter you from the wind and therefore reduce, "WIND CHILL". The other trick is to be prepared to stay with the vehicle. The Canadian Automobile Association has prepared the following list of articles to carry in your vehicle:

Blankets or a sleeping bag, first aid kit, flashlight, shovel, flares, tow strap or chain, sand or rock salt in the trunk, thick socks, extra gloves (mitts are better) and a warm hat, four or five long burning candles and a coffee can, waterproof matches.

Continued Page 6

2 tbsp. milk  
1/2 tsp. vanilla

Combine all ingredients. Beat until smooth and of good spreading consistency.

## Cherry Almond Cake

2 cups halved red candied cherries  
1/2 cup slivered almonds  
1/2 cup Robin Hood All-Purpose Flour (OR Robin Hood Velvet Cake & Pastry Flour)  
1 cup butter or margarine, softened  
1 cup sugar  
1 tsp. vanilla  
1 tsp. almond extract  
4 eggs  
1 1/2 cups Robin Hood All-Purpose Flour (OR 1 3/4 cups Robin Hood Velvet Cake & Pastry Flour)  
2 tsp. baking powder  
1/2 tsp. salt  
1/3 cup milk

Combine cherries, almonds and 1/2 cup flour in bowl. Mix until fruit is well coated. Set aside. Cream butter, sugar and flavourings together until light and fluffy. Add eggs one at a time, beating for one minute on high speed of electric mixer after each addition. Combine 1 1/2 cups flour, baking powder and salt. Stir well to blend. Add dry ingredients to creamed mixture alternately with milk, starting and ending with dry ingredients. Stir in floured fruits and nuts. Spread batter into greased and floured bundt or tube pan. Bake at 300 °F for 55-65 minutes or until tooth pick inserted in centre comes out clean. Cool cake

Lakeland Review, December 7, 1983, Page 3

in pan 10 minutes then turn out onto wire rack to cool completely. Wrap cooled cake in aluminum foil and store in cool place for several days to allow cake to ripen. Makes one cake.

## GIFT IDEA

Collect an assortment of unusual herbs and spices, include a miniature grater, put in wicker basket, tie with ribbon and give to someone who enjoys cooking.

The regular meeting of Town Council was held November 28th, at 6:30 p.m. in the Town Office.

Councillor Bruce Kleeberger, spokesman for the Recreation Department submitted a progress report on the redevelopment of Markstad Park. At this time, almost half of the poplar trees have been felled, it was noted that people have been hauling the logs away to use as firewood. Councillor Kleeberger motioned to authorize the administration to dispose of the firewood to persons who apply by application at Town Office. Councillor Kleeberger then

went on to inform Council of the Recreation Board Meeting, noting this time it is mainly composed of volunteers, and that there are two part time positions available through funding at a rate of \$660.00 per month.

Councillor Kleeberger also stated that the Recreation Board is unsure of what Councils expectations are from the Board. Council replied it is interested, but it is up to the Rec. Board to prove it is viable. Mayor Ed Buck motioned that Council morally support the Board and also the concept of a Regional Recreation Board.

Council discussed the ski-doo bylaw, and general concern was to leave the by-law as it now stands.

Personnel Committee have recommended time off for June Stone concerning School Board business. Time allotted will be without pay, and on a six month trial basis, which can be terminated at anytime.

At this time, no tenders

have been received for the re-painting of Town Office, closing date for tenders is Monday, December 5th, 1983.

A progress report on the new town shop was discussed, council felt that it should have been completed by now and have decided to draft a letter in order to speed up the completion.

Applications for the airport license and electric services have been received. Councillor Kleeberger motioned this matter to the airport committee. It was also noted that the Chamber of Commerce is planning the official opening.

Municipal Planning representative, Miles Foreman was present to discuss Cicon Engineering plans for the mobile home sub-division. To date, Cicon has not sent a reply to the development agreement sent to them on November 17, 1983. Councillor McCuaig motioned that a phone call and a letter be drafted to Cicon Engineering, clearly stating that Council expects to have the agreement signed and delivered to them no later than December 12, 1983.

Mugal Homes offer to purchase land for apartment development has raised quite a few concerns with Council. Councillor Kleeberger motioned that a letter be sent to Mugal Homes with a list of all concerns. It was also noted that the site which Mugal Homes wishes to purchase may contain pre-historic and archaeological items. The town will contact Mr. Barry Newton from Alberta Culture on this matter. Concillor Kleeberger motioned the release of soil tests to Mugal Homes which they have requested.

Car Ouells have put in a

land purchase request. Council discussed the matter at great length with Mayor Ed Buck motioning that 1.5 acres of land, block 29A from the land bank, be sold at land bank cost, with Car Ouells supplying their own road from 46 Street, and their own water and sewer lines, until the sewer lines go through 45-46 Street, at which time they will have to pay offsite levy costs.

Alberta Environment is retesting the landfill site, and no further work will be done until next spring.

Drainage of J. Zayonce property is just about finished. A culvert intended for the 54 Street crossing was used to allow the crossing on the far side of Zayonce's property.

Alberta Environment has submitted a bill for the land appraisal, and first option to purchase of the 1.1 acres reclaimed sewage lagoon.

A progress report of the water treatment plant was discussed. Apparently when the plant was put in operation, it was discovered that the aerator leaks like a sieve. Mayor Ed Buck motioned the authorization of the Public Works Committee to spend up to \$5,000.00 for repairs. Any amount over that will have to go through Administration and be brought up at a special meeting. A grant for the upgrading of the water treatment plant was received from Alberta Utilities and Telecommunications and is based on the actual audit budget costs.

Mechanical services for the new seniors' lodge will be done by Keen Engineering Company Ltd.

Alberta Housing Corporation has submitted the agreement for the land closure and sale of the new lodge site. Councillor

# News from the Fair Board

This is the time, when snow is falling, to get into the Arts, Crafts and Hobbies you will be entering in next summer's Fair. Edith Mitchell, in charge of this section, suggests the toys, stuffed animals, etc., you are making for Christmas gifts

could be made a year in advance - so you can enter them in the Fair.

Some of the categories you will be able to enter are these: Novelty - stuffed toy (not a kit); Embroidery (not liquid); Hardanger (Nor-

wegian embroidery); Counted cross-stitch; Needlepoint; Petit Point; Tatting.

Then we get into the heavier stuff, Woodwork; Ceramics; Ukrainian Easter Eggs; Artwork (portrait, oil, water painting, sketching);

with two, and Woytkiw with one.

On November 26, Vegreville travelled to Elk Point. Score was Vegreville 7 and Elk Point 3.

Elk Point travelled to Vegreville on Sunday November 27. Vegreville won 5 - 3. Boys played to a three all tie until 3 minutes in the third period.

## Card of Thanks

The Hannahs, Bruce and Hazel wish to thank all their friends who came to their home on Sunday, November 27th to share in our happiness of celebrating our 49th wedding anniversary. Special thanks to our children, Dennis & Pat and Allen & Lucille for making it all happen.

Liquid embroidery; Lapidary; Rugs; Macrame; Flowers (made); Handquilted quilts; Quilts made by other means; the Unquilt quilting (includes many quilted articles, not quilts); Paper Tole; Beadwork; Taxidermy; Wall Hangings; Dough craft, and any other craft you can think of. For further information call Mrs. Mitchell at 724-3749.

A few explanations may be in order. For instance, in ceramics there are several methods to be used: there will be molded (or poured) articles, a section on hand molded ceramics - these could be dishes, sculpting, pictures - let your imagination soar - then there are wheel thrown pottery. Various glazes and finishes will be included, textures and colors have whole categories by themselves.

Again, quilting covers a wide field. There is the cosy tuck-me-in bed blankets, and the vests and jackets, the bags, cushions - dare I say, picture frames, book covers, slippers, to name but a few, which could be entered in the 'unquilt' section.

Under Further Ed. in Elk Point, a quilting class is in progress already. Consider joining in. Get ready for the Fair.

**Pitch-In and Keep Canada Beautiful**

## Pee Wee Hockey

LEAGUE GAME — Lloydminster at Elk Point with score of 7 - 3 for Lloydminster on November 12

Goals were by Jenner, Metz and Yakemchuk; assists by Loresnson, Metz, McLaughlin and Pelletier.

November 13, League game with Two Hills losing against Elk Point 6 - 2.

Goals were by Reinhart (1), Yakemchuk (2), McLaughlin (1), Bosvik (1); assists were by Metz (2), McLaughlin (1), and Bosvik (1).

November 19, League Game with Grand Center losing to Elk Point in Grand Center 5 - 4.

Goals were by Reinhart (2), Metz, Pankow and Jenner

with one; assists were by Jenner (2), Bosvik (2), Yakemchuk, Pelletier, Metz, McLaughlin, Loresnson and Ludlage each with one.

November 20, Exhibition Game, with Dewberry losing to Elk Point 4 - 3.

Goals were by Jenner (2), Metz and Yakemchuk with one; assists were by Pelletier, Woytkiw and Bosvik, each with one.

November 24, Exhibition Game, with Elk Point Pee Wee B's against St. Paul (team going to Quebec). Elk Point won 8 - 3 over St. Paul.

Goals were by Jenner, Metz, Pankow, Yakemchuk, each with one, McLaughlin (4); assists were by Loresnson, McLaughlin, Reinhart, Metz and Yakemchuk, each

## Council Notes

Kleeberger motioned to accept and sign the agreement.

Community Services Centre management board has a first draft of policies concerning the E.C.S. building.

The Fire Department has submitted wages and expenses for the period up to December 31, 1983, in one lump sum. Council has requested a more detailed submission and this matter will be referred to the committee.

Lakeland Ambulance owner Don Schueler has asked Town Council for a five year contract. Council will discuss this matter and reply back to Mr. Schueler. On

behalf of the Town of Elk Point, Council has nominated Mr. Sid Holthe for the Northern Alberta Development Council.

Council has decided to decorate and install a

from Page Four

Christmas tree in the Town of Elk Point. So far no decision has been made on the location of the tree.

Next Town Council meeting will be held on December 12, 1983.

Subscriptions make ideal X-mas gifts.

We will send a X-mas card with your name on it plus a one year subscription for **\$6.00** reg. \$8.00.

**This offer is good until December 9.**

The Lakeland Review will no longer be sent free. Town ratepayers have had their subscription purchased for them by the town.

If you are not a ratepayer, here is your chance to purchase the Review for one year for only \$6.00.

# Mazankowski

Canadians' best interests to be self sufficient.

On Agriculture, Mazankowski said it generates 40% of Canadians' activity, for every dollar of grain sold, four dollars of economic activity is developed. He went on to say it is about time we recognize the importance of agriculture.

Mazankowski spoke of the importance of encouraging tourism in our country, adding that Canadians spend 1.9 billion dollars on tourism outside of our country. From coast to coast, we have a wonderful and beautiful country, we should meet our fellow Canadians, discover their thoughts. "Ignorance is the worst enemy we have," Don stated.

In closing, Don expressed the importance

from Page One

of the volunteer organizations, such as the Lions Club, noting that the first Lions Club was started in 1920, and that the growth of the Lions literally permeates every community. "The motto - we serve - is very worthy and it is a wonderful experience for me (Don) to be associated with the Lions, and I wish your organization continued achievements and success," he added.

Bruce Kleeberger thanked Mr. Mazankowski for his attendance and speech.

President Peter Tyler, on behalf of the Lions presented Mr. and Mrs. Mazankowski with official Lions Caps and Pins along with District Governor Steve Romanchuk and Mrs. Romanchuk.

The Senior Ukrainian Dancing group entertained all present with their dancing.

## Pioneer Circle Report

The regular monthly Board meeting of the Pioneer Circle met Tuesday, November 15th, at 2 p.m. in the Centre, with a good turn out.

Pot luck suppers being the most popular with the group, a decision was reached to hold a pot luck supper for the annual Christmas get-together, with a social evening to follow. The Christmas party will be Saturday, December 10, supper to commence at 5:30 p.m. All members are encouraged to attend.

The crib tournament is going great guns, and there is whist played every Friday evening. Whist will commence at 7 p.m., rather than the previous 8 p.m. All are welcome to join in. Bingo continues at 2 o'clock as usual on Wednesday afternoons.

It was agreed that the group would attempt to sell the covered wagon, pur-

chased some years ago as a parade float. It is too difficult for the seniors to get in and out of, and a flat deck would be more suitable for their needs. The sale moneys are tentatively earmarked for a piano or organ for the hall.

An effort will be made to get a bridge game going, perhaps a tournament, after some practice.

A forty-fifth anniversary was held in the hall during the past week, and a catered afternoon lunch.

The bus continues to come into Elk Point, Wednesday mornings at 7:30 a.m., with special rates for seniors wishing to go to Edmonton's Westmall and return. December Board meeting will be on the third Tuesday, unless otherwise advised.

## Memoriam Slyruka

In loving memory of John Slyruka who passed away on December 13, 1982.

*Life for us still goes on,  
Even though you are gone  
Deep in our hearts  
your memory is kept,  
To love, to cherish, to  
never forget.*

Sadly missed and always loved by your family.

## Sergeant's Desk from Page 3

and a package of foods that will survive freezing and heat.

If you are forced to remain in your car or for that matter, in some other type of shelter, do not eat snow for refreshment. The heat from your body that will be required to melt the snow will further reduce your body temperature and will lead to hypothermia. The coffee can, matches and candles can be fashioned into a camp stove and a tea bag or hot chocolate mix will be warming and refreshing. Also remember to unroll the window a tiny bit to allow fresh air into the vehicle to avoid the danger of carbon monoxide poisoning.

By the way, congratulations on your efforts during SAFE DRIVING WEEK.

# Red Cross Report

November Red Cross Branch meeting commenced at around 2 p.m. in Chairman Violet McFadyen's home on the usual first-Monday-of-the-month, November 7th. Scissors and pins in hand, the ladies moved to the working space at the tables in her basement, so kindly

supplied by Mrs. McFadyen, where soon a whole quiltful of patches were cut, pinned and ready for the stitchery required.

Space was at a premium before long, as some dozen ladies worked downstairs, while more carried on in the

kitchen with scissors and iron.

The meeting took place as soon as Margret Modin, the secretary, arrived from her work at F.G. Miller High School, shortly after 3:30. Reports were received that the sale of tickets on the handmade quilt being raffled was going well. Moneys and ticket stubs should be returned to Mrs. Anne Buck at her home, or to the Sew 'n Knit Shoppe in Elk Point where the quilt is on display.

Mrs. McFadyen reported having one small quilt ready to put on the frames. Mrs. Young has inquired as to what knitting is required, no reply to date. She has some yarn on hand yet.

This being the Annual meeting, nominations for all officials was called for. On a motion by Nikki Remier and Lena Stepa that nominations cease. All officials were returned "as is".

A Delegate was requested to attend the Red Cross Annual Convention to be held at the Mayfield Inn in Edmonton, March 30 & 31, 1984. Grace Lien volunteered and was accepted, with Nikki Remier as second choice, if Mrs. Lien cannot go.

The chair donated to the E.P. Municipal Hospital in 1968 in commemoration of

Dr. Anne Weigerink, has worn out and been scrapped. The plaque which has been placed on it was returned by Mrs. Willmer to the group. McFadyen will inquire if there is a need for a replacement chair, with a view to proceeding with this if required.

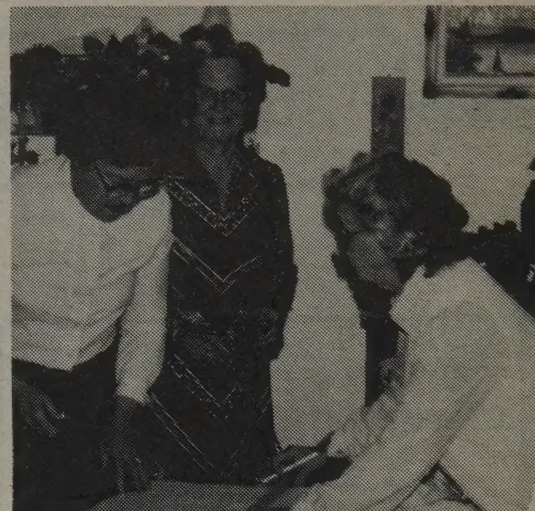

Modin noted that a Leadership Seminar offered by Red Cross in the city has been cancelled due to lack of entries. A new Red Cross Certificate of Appreciation was shown, and this could be awarded for outstanding work by an individual or group for Red Cross on recommendation of the local branch.

The Katimavik group would like to learn how to make a quilt and will be invited to help later in the month. They have also offered to help Senior Citizens with house cleaning, wall washing, etc., on weekends. If interested, contact them.

Plans were made for the fall Zone meeting, a date will be set later; place, the F.G. Miller High School.

Marian Smith has turned in the first finished item for the spring Bazaar and Tea. The ladies were encouraged to keep them coming in.

Annual membership fees of

Red Cross ladies cut quilt patches.

the branch of 50¢ each were collected, and the meeting adjourned with sixteen paid members. After lunch the

ladies went home with arms full of quilt blocks to sew before the next regular meeting.
